	"	

④ It was moved that in as much as a majority of the water users were present that the meeting proceed to conduct the business of the meeting.

⑤ Kismet Morgan of the State Engineer's office read the financial statement. A discussion developed at this point about the assessment of the Carbon conservancy district. They claiming they should not be assessed as they were not in the business of distributing water as that was done by the canals and had refused to pay their assessment for 1947, and for their assessment of 1948 Mr. Monson, said he would get a decision from the attorney general if this could be assessed against the canals and they were not released from their assessment of \$512.11. On Motion of Wm. Marsing, seconded by J. D. Critchlow, the financial report was accepted as read.

⑥ The minutes of last year's (1947) meeting were read and were accepted as read.

⑦ The appointment of a Water Commissioner for the season 1948 was next in order of business. William Rebb of Price, Utah, was approved for water commissioner for the year 1948.

⑧ The next order of business was setting up a budget. After a discussion, a motion was put by Moreni Hunt, Seconded by Albert Thayne that the river commissioner salary for distribution services was fixed at \$1800. He to pay his own travel expenses.

⑨ \$50.00 was set up for snow survey and his bond fixed at \$2000.

5.00 to be paid for the bond.
25.00 for miscellaneous expenses.
50.00 for the State Engineer's office.
5.00 Insurance.

⑩ On motion of Mr. Hicks and seconded by Albert Thayne, the Water Commissioner is to be allowed \$30.00 for office expense and making final reports. Total budget being \$1965.00.

⑨ The pay of the water commissioner should be made in ten (10) equal payments, beginning April 1st, 1948.

⑩ There being no other business before the meeting the meeting adjourned.

Wm Rebb

Water Commissioner
acted as Secretary

Resolved - Budget
3/19-1948.
